**Gedling Borough Aligned Core Strategy – Proposed Main Modifications to the**  
**Submission Document (the Core Strategy)**

The Core Strategy covers the whole of the administrative area of Gedling Borough Council and sets out the Council's spatial policy framework for delivering the development and change needed to realise the Borough Council's vision for development in the Borough up to 2028.

Representations are now invited on proposed Main Modifications to the submitted Gedling Borough Aligned Core Strategy. Representations should relate strictly to the proposed Main Modifications only, and not the Aligned Core Strategy as a whole which has already been subject to comprehensive examination process.

Crucially, this consultation does not represent an opportunity to raise other matters which either were, or could have been part of the earlier representations or hearings, on the Aligned Core Strategy.

The proposed Main Modifications to the Core Strategy together with addendums to the Sustainability Appraisal, Habitats Regulations Assessment and Equality Impact Assessment reports can be viewed at the locations below. We do not seek views other than on the proposed Main Modifications to the Core Strategy.

**Public Representation Period: Monday 17th March until 5:00pm on Wednesday 30th April 2014.**

All representations must be submitted within this period and received by the Council by 5:00 pm on 30th April 2014.
