Town and Country Planning (Local Planning) (England) Regulations 2012

Local Planning Document for Gedling Borough
Consultation on Proposed Main Modifications in accordance with Regulation 19
Statement of Representations Procedures

Gedling Borough Council has prepared the Local Planning Document for Gedling Borough which includes site allocations and a suite of development management policies.

The Gedling Borough Local Planning Document was submitted to the Secretary of State for Examination in October 2016. A number of Main Modifications are proposed for consultation. These are identified as Main Modifications (MM) in the schedule titled ‘Proposed Main Modifications to the Gedling Borough Local Planning Document Publication Draft (February 2018)’. The Main Modifications are also supported by the Sustainability Appraisal Publication Draft Main Modifications Report; and the Habitats Regulations Assessment and Equality Impact Assessment – Main Modifications. The Policies Map is published alongside the proposed Main Modifications for ease of reference. The Policies Map does not fall within the scope of the Examination and is made available for comments which are for the Borough Council’s use only.

The consultation is limited to the Main Modifications and the Policies Map only and this is not an opportunity to comment on other aspects of the Local Plan.

All comments on the Main Modifications received will be forwarded to the Inspector for consideration with comments on the Policies Map for the Inspector’s information only.

Other more minor changes proposed by the Borough Council are included within the schedule titled ‘Proposed Additional Modifications to the Gedling Borough Local Planning Document Publication Draft (February 2018)’ for completeness but are not the subject of this consultation.

Geographical Coverage
The whole of Gedling Borough.
